

This diagram illustrates the exploded view of a mechanical assembly, with components labeled as follows:

- 8**: A small cylindrical cap or plug at the top.
- 6**: A large, ribbed cylindrical component below the cap.
- 10** and **11**: Two small, curved hook-like components.
- 11-1**: A small pin or screw associated with component 11.
- 2-1** and **2-2**: Two small rectangular components positioned above the main body.
- 2-4** and **2-5**: Two small rectangular components positioned on the sides of the main body.
- 2**: The main cylindrical body of the assembly.
- 4**: A small rectangular component at the base of the main body.
- 2-3**: A small rectangular component at the very bottom of the main body.
- 5**: A small cylindrical component below the main body.
- 1**: A large, conical or flared component below the small cylinder.
- 1-6**, **1-5**, **1-7**, **1-4**, **1-1**, and **1-3**: Various small components and pins associated with the conical part.
- 1-2**: A small rectangular component at the base of the conical part.
- 12**: A small rectangular component below the conical part.
- 7**: A small circular component below the rectangular part.
- 3**: A small circular component with a textured surface below the circular part.
- 9**: A large, ribbed cylindrical component at the bottom of the assembly.
